RADIANT ONE™

**Visible
up to
one mile**

*Cutting edge technology
for marshalling aircraft and
vehicles, directing traffic and
as an emergency safety sentinel.*

RADIANT ONE™ allows personnel to safely direct truck traffic in dark terminals and parking lots reducing liability and damage by providing a high intensity light source easily visible by drivers and other personnel.

TOUGH

RADIANT ONE'S™ tough and durable Lexan construction makes it virtually indestructible from abuse and extreme wear and tear. So resilient, **RADIANT ONE™** can be run over and smashed against a solid surface without damage.

RADIANT ONE™ FEATURES:

- Reliable handheld safety light
- Lightweight and well balanced
- Tough Lexan construction, weatherproof & maintenance free
- Ultra bright signal for day and night visibility
- Advanced electronic circuitry provides both static and two different flashing modes
- Torch-like hand grip with wrist strap
- Operates on two "C" batteries

***Ideal for traffic stops,
accident scenes and
traffic checkpoints***
